

The Leader of the Future

THIS YEAR HAS PROVED CHALLENGING.

A NEW WORLD TO NAVIGATE THROUGH AND ADAPT TO.

ARE YOUR NEXT GENERATION OF LEADERS READY FOR WHAT'S NEXT?

In today's virtual business landscape, leaders feel more isolated than ever. Entrepreneurs, small business owners, and growing executives all need space to grow and learn to be better leaders. Join our community of Green and Growing leaders that want to take it to the next level, be equipped to grow your company, and have the tools to grow personally.

TEAMS ARE THE KEY TO GROWING A BUSINESS

This program is not just for business executives, it is for your up-and-coming leaders, those you are looking to grow and develop into future executives. When the time comes to think about selling your business remember, businesses that run independent of their owners have more value to the buyer than owner-dependent companies. Build a team that can run without you.

A COLLABORATION OF WHAT WORKS AND WHAT'S NEXT

In addition to the basic fundamentals of leadership, NextGen Evolution leaders are intrinsically social, and socially conscious. This program identifies the missing skills evolving leaders need—while appealing to their natural openness and agile minds. NextGen Evolution prepares them for success in a dynamic workplace.

**YOUR NEXTGEN
EVOLUTION
LEADERS WILL
DEVELOP:**

- Complex decision-making skills
- Superior communication skills
- Deeper understanding of business finances
- Effective leadership skills
- Enhanced personal accountability

Cultivating the Complete Leader

To bring out the best in NextGen leaders, we teach:

- **Self-Perception:** Participants will use proven personality and EQ assessments to better know themselves, and better understand how their unique beliefs impact their relationships—both in and out of the workplace.
- **Execution:** They will learn the art of successful execution through goal setting, measuring progress, and accountability.
- **Enriching Enterprise Value:** They will develop a deep understanding of your organization's economic challenges, then learn how to leverage Key Performance Indicators (KPIs) into extraordinary financial results.
- **World and Workplace:** They will step out of their comfort zones, embrace changing culture and perspectives, and hone their ability to identify the next big thing, giving your organization a global, future-forward focus.
